Dear Dr. Silver,

I am being considered for a position on the faculty at Lausanne School for Girls in Memphis and while I was at the school for the personal interview, I took the liberty of giving Mr. Coppedge, the Headmaster, your name as a reference. I am very interested in securing the position and I will certainly appreciate your co-operation in this matter.

Mr. Coppedge spoke very highly of you and I expressed to him how much I had enjoyed the course which I had under you.

Thank you.

Sincerely yours,
Idanna Thurmond
